Build your new future

Are you considering your next career move?

Do you want to change your career or start a new one?

Are you interested in construction and trades?

From September 2020 we're offering a free employer-led career exploration and employability programme for people from all backgrounds and skill levels who want to find out about careers in construction and the built environment.

The programme includes industry information webinars, mentor-led masterclasses and one to one personal development sessions, offering a unique package of:

Eligibility criteria:

- You are 16 or over
- You are a Borough of Bromley, Greenwich, Croydon, Merton or Newham resident
- You are unemployed or not actively seeking employment
- You have proof of your right to work in the UK
- You haven't already participated in a similar ESFA-funded project
- You have access to the Internet and a computer or laptop.
